PROFESSIONAL SUMMARY

Results-driven Procurement and Operations Professional with over 3 years of experience managing procurement, supplier relationships, logistics coordination, and operational processes across Zimbabwe and South Africa. Proven ability to optimise supply chains, negotiate with suppliers, control costs, and improve operational efficiency. Experienced in FMCG distribution, inventory management, and cross-border logistics with a strong analytical mindset and proficiency in ERP systems and advanced Excel reporting. Known for implementing structured systems that improve accountability, supplier performance, and operational efficiency. Highly adaptable and eager to contribute to organisations in procurement, administration, banking operations, supply chain, or general management roles.

EXPERIENCE

February 2025 - December 2025

Procurement Manager

Foodmakers (Pty) Ltd, Johannesburg
